

Dear Colleagues,

As the world faces the Coronavirus (COVID-19) pandemic, we are monitoring the situation and assessing the feasibility of going ahead as planned with the **12th International EUREDOCS Conference**, scheduled for July 6-8, 2020, in Porto.

Given the current uncertainty, we have decided to extend the deadline for proposals' submission to ***April 30, 2020***. By then, we will have a better knowledge and will take a decision about it.

In the meantime, we wish all the best for you and your families in these challenging times.

Pedro Teixeira – Director of CIPES
